Kurzbeschreibung

An eccentric wallflower . . .Most debutantes dream of finding a husband. Lady Pandora Ravenel has different plans. The ambitious young beauty would much rather stay at home and plot out her new board game business than take part in the London Season. But one night at a glittering society ball, she's ensnared in a scandal with a wickedly handsome stranger. **A cynical rake . . .**After years of evading marital traps with ease, Gabriel, Lord St. Vincent, has finally been caught by a rebellious girl who couldn't be less suitable. In fact, she wants nothing to do with him. But Gabriel finds the high-spirited Pandora irresistible. He'll do whatever it takes to possess her, even if their marriage of convenience turns out to be the devil's own bargain. **A perilous plot . . .**After succumbing to Gabriel's skilled and sensuous persuasion, Pandora agrees to become his bride. But soon she discovers that her entrepreneurial endeavors have accidentally involved her in a dangerous conspiracy-and only her husband can keep her safe. As Gabriel protects her from their unknown adversaries, they realize their devil's bargain may just turn out to be a match made in heaven . .

A gratifying series starter from a not-to-be-missed romance author. Kirkus The first in a new historical series delivers everything readers have come to expect from RITA Award-winning Kleypas, including insightful characterization, an abundance of super-charged sexual chemistry, a dash of dry humor, and a to-die-for hero, all of which will have the author's legions of fans giddy with delight at her triumphant return to historical romance. Booklist Kleypas is an amazing writer. In my opinion, she might be the most technically skilled historical romance author out there. Smart Bitches, Trashy Books Cold-Hearted Rake brings to mind some of the best elements of her Hathaway, Wallflower, Gambler, and Capital Theatre series novels ... Reading Kleypas' long-awaited return to historical is akin to walking into the arms of an old friend. Heroes and Heartbreakers A cadre of three dimensional characters who captivate from the moment you meet them and a multilayered plot that allows the characters to grow will keep fans intrigued by this addictive, rewarding story. Library Journal Readers are introduced to the unforgettable characters and their original personalities through a delightful storyline peppered with sharp repartee and steamy sensuality. RT Book Reviews I simply cannot wait to see where Kleypas goes with the next three books. I also need her to write them faster. SERIOUSLY FASTER. I'd recommend this book for anyone who likes their happily ever afters to involve corsets, their sexual tension to involve witty banter, and their books to end with the promise of more. Romance and Smut Kleypas is a masterful writer, and her latest offering will be welcomed by fans old and new. Kirkus Werbetext
