[Guide to Writing & Publishing Science Fiction Fantasy Horror] (By: Rob Shelsky) [published: May, 2011] Rob Shelsky

A simple, but in-depth guide for those who wish to not only write science fiction, fantasy, and horror, but who also desire to get published for money. Based on a series of published articles spanning seven years, this book provides the writer with everything they need to know about how to create an idea for a novel, create settings, build atmosphere, plot, pace, and tension. Whether a science fiction, fantasy, or horror writer, the answers to how to write and get published lie within the pages of this book. With step-by-step instructions, the writer can't go wrong!
